

Dr. Jacquelyn Schneider

Jacquelyn G. Schneider is an Assistant Professor at the U.S. Naval War College and a core faculty member of the Center for Cyber Conflict Studies. Her research focuses on the intersection of technology, national security, and political psychology with a special interest in cyber, unmanned technologies, and Northeast Asia. Her work has appeared in print in *Journal of Conflict Resolution and Strategic Studies Quarterly*, and on-line at a series of outlets including *Foreign Affairs*, *War on the Rocks*, and *Washington Post*. Jacquelyn is an active member of the defense policy community with adjunct positions at the Center for a New American Security and previously at the RAND Corporation. Before beginning her academic career, she spent six years as an Air Force officer in South Korea and Japan and is currently a reservist assigned to U.S. Cyber Command.
