

## **Dr. Zachary S. Davis**

**Senior Fellow, Center for Global Security Research, Lawrence Livermore National Laboratory**

Dr. Zachary Davis is Senior Fellow at the Center for Global Security Research at Lawrence Livermore National Laboratory and Research Professor at the Naval Postgraduate School where he teaches courses on counterproliferation. He has broad experience in intelligence and national security policy and has held senior positions in the executive and legislative branches of the US Government. His regional focus is South Asia.

Davis began his career at the Congressional Research Service at the Library of Congress and has served in the State Department, Congressional committees, and the National Security Council. In 2006-2007, he was Senior Advisor at the National Counter Proliferation Center, in the office of the Director of National Intelligence. He is the author of numerous government studies and reports on technical and regional proliferation issues. He currently leads a project on the national security implications of advanced technologies and supports Track 2 efforts in South Asia.

His scholarly publications include articles in *Orbis*, *Prism*, *Asian Survey*, *Arms Control Today*, *Security Studies*, *The American Interest*, and chapters in numerous edited volumes. He was editor of the widely read 1993 book *The Proliferation Puzzle: Why States Proliferate and What Results*. His edited book on the 2002 South Asia crisis was published by Palgrave Macmillan in 2014, and his edited volumes on Strategic Latency were published in 2015, 2018, and 2021. Davis holds a doctorate and masters in international relations from the University of Virginia.
